

Union of Scientists in Bulgaria – Plovdiv

VIIIth International Conference of Young Scientists – Plovdiv 2020

First announcement

INVITATION FOR PARTICIPATION AND ABSTRACT SUBMISSION

The conference is an initiative of the Club of the Young Scientists at the Union of Scientists in Bulgaria – Plovdiv. The main goal is to provide an opportunity for young scientists from different countries to express themselves and to gain more experience and confidence in reporting scientific ideas and results.

Plovdiv is an attractive tourist destination with more than 8 000 years of history. The city is an important economic, transport, cultural, and educational center. It was the European Capital of Culture in 2019.
